# masteroil C-Tec Power 5W-40

### Description

Description

masteroil C-Tec Power 5W-40 is a high-performance engine oil based on HC synthetic oil with a wide range of applications. The interaction of the selected base oils and the modern additives results in its high performance level.

### **Application**

masteroil C-Tec Power 5W-40 was specifically developed to meet the needs of modern petrol and diesel vehicles. It is particularly suitable for vehicles with petrol and diesel engines both with and without turbocharging and is used for vehicles that do not have extended maintenance intervals. Its modern concept enables a wide range of applications and ensures safe operation under all operating conditions.
