

masteroil

masteroil MULTI ATF FE

Description

This transmission fluid is an HC synthetic, heavy-duty ultra-high-performance transmission fluid. It was specifically designed for significantly extended change intervals. The oil consists of premium-grade synthetic base oils and is suitable for automatic truck transmissions and HGV and bus transmission systems.

Application

This transmission fluid is designed for long oil change intervals in automatic transmissions in HGVs and buses, as well as for transmissions in commercial vehicles and other heavy-duty applications.

Typical characteristic values Property	Method	Unit	Value
Density at 15°C	ASTM D4052	g/ml	0.844
Kinematic viscosity at 40°C	ASTM D445	mm ² /s	38.7
Kinematic viscosity at 100°C	ASTM D445	mm ² /s	7.3
Viscosity index	ASTM D2270	-	158
Pour point	ASTM D6892	°C	-54
Brookfield viscosity at -40°C	ASTM D2983	mPa-S	15400
Colour	VISUAL		RED

We reserve the right to change our products' general properties so that our customers can always benefit from the latest technical developments.

- Toyota Auto Fluid WS
- VW G 055 005 / 162 / 540 / G 060 162

Advantages

Very smooth shifting behaviour, no vibrations: Very quiet gear changes without vibrations
Significantly extended transmission service life: Significantly extended transmission service life
Excellent temperature and oxidation stability: Excellent thermal and oxidation stability

This product is available in the following container sizes:

- 1 litre
- 5 litres
- 30 litres
- 60 litres
